PROFILE

Bradley Keller joined Southpace Properties in October 2023 after graduating from The University of Alabama with a Bachelor of Science in Finance.

Bradley is an active member of the Alabama CCIM Chapter and an aspiring CCIM designee. He is also a member of the International Council of Shopping Centers (ICSC).

Bradley is passionate about conservation and currently serves on the board of directors for Delta Waterfowl in Birmingham and on the Coastal Conservation Association (CCA) state board, where he oversees CCA collegiate chapters throughout the state. In addition to his professional and conservation work, Bradley enjoys giving back to his community and coaches Mountain Brook youth baseball.

What Bradley finds most rewarding about his role as a broker is the opportunity to build connections within communities and then witness the positive impact his work has on those local communities
